**TOWNES, United States District Judge:**

By letters dated February 6, 2013, The MTA New York City Transit Authority and Core Environmental Corp. separately requested pre-motion conferences, seeking permission to file motions for summary judgment. The court grants Defendants permission to file their motions. In light of the submissions received by the court, a pre-motion conference regarding the motions for summary judgment will not materially assist it. The parties are directed to comply with the following briefing schedule regarding the motions for summary judgment:

Defendants shall each serve their motion by March 21, 2013. Plaintiff shall serve his opposition to those motions by May 3, 2013, to which defendants may reply by May 17, 2013. The fully briefed motions shall be filed by defendants' counsel by May 20, 2013.

In addition, Defendants have each requested permission to file motions to consolidate Plaintiff's three actions against them. The parties are directed to appear for a pre-motion conference discussing consolidation on February 28, 2013 at 2:00 p.m.
